Hi, Ted –
Per your request, which was relayed to me by Elaine Suriano this afternoon, I'm forwarding the email that our Acting Regional Administrator received last week from Forest Service regarding the Rosemont ROD. The letter that is mentioned in the email has not yet been received.

Ms. Strauss: I would like to speak to you about the status of the Rosemont ROD. I promised your predecessor that we would provide a 30 day notice to EPA before signing the ROD. A letter to that effect will be in the mail to you tomorrow. Please call me if you have questions or if I can be of assistance.
